

WebzPro

Privacy Policy

This Privacy Policy describes the information we collect from you, what we do with the information, and our information security practices. If you have any questions about our Privacy Policy, please contact hosting@webzpro.com.

Information

When you sign up for our service, we will ask you to provide contact information such as your name, address, telephone numbers, email addresses, and payment information such as credit card number and expiration date.

We may ask you to complete user surveys, and to provide certain demographic information, such as age, gender, special interests, etc. You do not have to provide this type of information to use our service if you do not want to.

When you visit our Web site we will capture your IP Address, time of and duration of visit, and time and duration of the pages on our Web site that you view. We may tie this information to the personally identifiable information we have about you.

We will also place a cookie that will identify you to us as a repeat visitor or a customer when you visit our Web site. See "*What is a Cookie*" below. We may tie this cookie to the personally identifiable information we have about you.

[If we send you an email, we may include a marker that will allow to identify email that is opened and viewed.]

Email on Sign up

We do not accept free email accounts such as hotmail, gmail or yahoo mail. We only accept a email account from your current ISP.

Use of Personally Identifiable Information

We will use your personally identifiable information only as follows:

- For payment purposes and to provide customer support;.

- To announce special offers or provide other information from time to time via email.
- To improve our service and the marketing of our service. For example, we may use the information we gather from user surveys, demographic data, and web site visits to help us improve or target our Web site and customize your visit.

We will not provide any personally identifiable information about you to any other person other than:

- a law enforcement or regulatory agency at their request;
- a person or company who acquires our business;
- third parties who perform services on our behalf (such as payment processing), subject to the third party agreeing with us that it will keep your personally identifiable information confidential;
- As otherwise needed to protect or enforce or rights or the rights of others.

We absolutely do not transfer or sell your information for inclusion on third party email or other marketing lists.

What is a Cookie

A “cookie” is an alphanumeric identifier that is unique to your browser. The cookie will identify your browser to us when you visit our web site so that we may customize your visit.

Children’s Privacy

Our service is not available to children under the age of 13, and we will not intentionally maintain information about anyone under the age of 13.
